Morgan and her best friend, Bree, are introduced to Wicca when a gorgeous senior named Cal invites them to join his new coven. Morgan falls for Cal immediately? and discovers that she has strong, inexplicable powers.

Cal, now Morgan's boyfriend, helps her accept the truth: Wicca is in Morgan's blood. As Morgan learns more about Wicca, she realizes that she needs to find out more about her parentage. The answers are there, but she doesn't know how to find them.

When her best friend drags her to a Wiccan circle, Morgan experiences things she never has before; Morgan falls for Cal Blaine and learns more about the powers she has inherited; and Cal believes Morgan is a blood witch after her powers change.

In Blood Witch, Morgan continues to unravel her past and the story of her birth-mother as her relationship with Cal develops. But she can't seem to settle with him and the mysterious Hunter begins to feature more heavily into her life.

Life is uneventful for sixteen-year-old Morgan Rowlands in her upstate New York town, until her best friend Bree drags her to a Wiccan circle led by newcomer Cal Blaire, and Morgan begins to experience things she never had before.

Morgan desperately searches for strength as her parents get angry with her for neglecting her schoolwork to pursue her magical studies, and as her coven-mates are persecuted for their beliefs.

Morgan knows that a great battle is to come. More immediately, she senses that someone is out to harm Hunter. Is it a human or a witch?

"Hoffman certainly knows how to enchant" (The New York Times Book Review) in this breathtaking conclusion to the Practical Magic series—a spellbinding and bewitching novel that asks how far will you go to change your fate? For over three-hundred years a curse has kept the Owens family from love—but all of that is about to change. The novel begins in a library, the best place for a story to be conjured, when beloved aunt Jet Owens hears the deathwatch beetle and knows she has only seven days to live. Jet is not the only one in danger—the curse is already at work. A frantic attempt to save a young man's life spurs three generations of the Owens women, and one long-lost brother, to use their unusual gifts to break the curse as they travel from Paris to London to the English countryside where their ancestor Maria Owens first practiced the Unnamed Art. The younger generation discovers secrets that have been hidden from them in matters of both magic and love by Sally, their fiercely protective mother. As Kylie Owens uncovers the truth about who she is and what her own dark powers are, her aunt Franny comes to understand that she is ready to sacrifice everything for her family, and Sally Owens realizes that she is willing to give up everything for love. A heartfelt and satisfying conclusion to a beloved series, The Book of Magic
