The Lord is nigh unto
them that are of a

contrite spirit (Ps.

sacrifice or I would

What extent lives have been changed for the worse by the scourge that alcohol has become. Anyone who has ever lived in the shadow of a drunkard knows the hurt and humiliation that comes with having done so. At first glance, it would appear that this sin against children is

virtually unforgivable.

There simply is no excuse for a parent to deal out this kind of grief to those they are charged by God to protect and love.

Children of drunkards ultimately become adult children of drunkards. While they have moved on chronologically from their childhood, they

Francis of Assisi is Catholicism ' s most popular saint. Tens of millions of spiritual seekers summon his name and example. But the real Francis- both his complicated personality and his complex theology- have been misunderstood for

centuries. In 1228, Pope Gregory IX rushed to canonize St. Francis only two years after his death. Soon thereafter, the Church eliminated significant aspects of his biography from the public record. For Francis ' s early life was defined by his profligacy; shortly before dying, Francis

Hearts Mended

Latonya grew up before her time after being introduced to adult behavior at the age of six. Being molested by her father and hearing him say "I love you" was common grounds when a little boy used the exact words. She had no idea that what

happened to her

would bring forth

more afflictions and

adversities to her life.

Latonya began to

confuse love with sex

allowing multiple

spirits in to have their

way with her.

Betrayal, rape, and

poor self-image were

the gateway to her

settling for all the

things she never

deserved. Her heart turned to stone towards men after years of disappointment and deception. She had no idea that the same hatred that brewed over time would be the same hatred that landed her in prison for five years. Blaming everyone for all that she was

facing, she began to live an alternative lifestyle in search of love from anyone willing to give it. The void needed to be filled. Missing pieces needed restoration. It was through these experiences that led her to the love of Jesus Christ. She was certain that her life had changed when

she met the man who would eventually save her from herself.

Allen would be the only man that would gain her attention and keep it. Soon came Cameren, their first born. And not long afterwards, Latonya gave birth to the twins, Briana and Brice. After giving her life to Christ and

bringing three children in the world, Latonya had no idea that she'd face yet another disappointment in a man. To forgive her past of constant betrayal and hurt by men, come out of lesbianism, give her life to Christ, and trust again just to be hurt by another man,

was something that could have nearly killed what was left inside of her. Single mother of three; what does she do next? How does she cope with this life changing experience? Does she grow bitter or better? She knows with God in control, the worst can be turned for her good. And so with

that, she still stands
as she tells the story
of being BROKEN
