I just purchased my P-touch and the unit will not power on. What should I do?

FAQs & Troubleshooting | PT-65 | United States | Brother  
Brother P-touch labels (TZe) last for many years, whether indoors or outside. The secret is in the unique clear laminated top layer that protects your text to many extreme conditions. Brother P-touch print technology is not found in any other brands of label printer, and therefore are the only labels to have this hard wearing laminated overcoat automatically applied.

A new edition, packed with even more clever tricks and methods that make everyday life easier Lifehackers redefine personal productivity with creative and clever methods for making life easier and more enjoyable. This new edition of a perennial bestseller boasts new and exciting tips, tricks, and methods that strike a perfect balance between current technology and common sense solutions for getting things done. Exploring the many ways technology has changed since the previous edition, this new edition has been updated to reflect the latest and greatest in technological and personal productivity. The new "hacks" run the gamut of working with the latest Windows and Mac operating systems for both Windows and Apple, getting more done with smartphones and their operating systems, and dealing with the evolution of the web. Even the most tried-and-true hacks have been updated to reflect the contemporary tech world and the tools it provides us. Technology is supposed to make our lives easier by helping us work more efficiently. Lifehacker: The Guide to Working Smarter, Faster, and Better, Third Edition is your guide to making that happen!

Covers receipts and expenditures of appropriations and other funds.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The Index of American Periodical Verse is an important work for contemporary poetry research and is an objective measure of poetry that includes poets from the United States, Canada, and the Caribbean as well as other lands, cultures, and times. It reveals trends in the output of particular poets and the cultural influences they represent. The publications indexed cover a broad cross-section of poetry, literary, scholarly, popular, general, and "little" magazines, journals, and reviews.

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Siblings are our longest lasting relationships. Narratives of the Great War abound with the war stories of brothers and sisters. Their emotional experiences span the novelty of departing for war or taking up war work, the turmoil of facing combat, the effort to provide ongoing support for family members, the ever-present anxiety for soldier-brothers, the depth of sibling grief and the multifarious ways surviving siblings sought to preserve the memory of their fallen brothers. This social and cultural history places siblinghood at the heart of our understanding of the war generation and how they balanced conflicting obligations to the nation, the military and their families. Drawing on a range of material, Brothers in the Great War, reveals how sibling bonds sustained fighting men and presents a novel insight into twentieth-century familial life.
