Torturing yourself is a miserable way to spend the wee hours of the morning. But in Punishment, a mystery in the style of Philip K. Dick, homicide detective John Barnes doesn't just have to face his own memories and demons; he also has to face those of the victims whose crimes he is trying to solve. And they never seem to quiet.

Punishment: A Thriller (Detective Barnes Book 1) eBook ...

In Punishment, a killer is terrorizing the populace and taunting the police by brutally murdering unsuspecting and seemingly random victims with a pick axe and leaving cryptic clues at the murder scene for the likes of Detective Barnes and his partner Franklin to decipher.

Punishment (Detective Barnes, #1) by Scott J. Holliday

Barnes lives through the pain and trauma of these victims time and again, attempting to solve the clues Calavera leaves behind. I won't pretend I know anything about this genre. As far as I can tell, "Punishment" is a run-of-the-mill hardboiled detective story with a soft sci fi element we've all seen before thrown in.

Punishment: A Thriller (Detective Barnes Book 1) by Scott J. Holliday (Author) 4.1 out of 5 stars (1,071)

Detroit-based homicide detective John Barnes has seen it all, literally. Thanks to a technologically advanced machine, detectives have access to the memories of the living, the dying, and the recently dead. But extracting victims' experiences first hand and personally reliving everything up to the final, brutal moments of their lives, the sights, the sounds, the scents, the pain, is also the punishment reserved for the criminals themselves. Barnes has had enough. Enough of the memories that aren't his. Enough of the horror. Enough of the voices inside his head that were never meant to take root...until a masked serial killer known as Calavera strikes a little too close to home. Now, with Calavera on the loose, Barnes is ready to reconnect, risking his life and his sanity. Because in the mind of this serial killer, there is one secret even Barnes has yet to see.

In this unputdownable thriller set in the new future, a detective enters the mind of a killer to find a missing child. To ex-detective John Barnes, the machine is a dangerous and abhorrent addiction. The criminal thoughts it embedded in his brain helped him stop a serial killer, but they left him dazed--with pounding, murderous impulses. Having turned in his badge to salvage what's left of his psyche, Barnes must return to the darkness at the request of his former partner. A little girl has gone missing. So has Adrian Flaherty, the detective in the kidnapper's shadow. And only Barnes can hear the clues. But the trail is more dizzying and more personal than he feared. The voices are revealing a secret only Flaherty could have known. They're also telling Barnes that he doesn't have long to live. To find the girl, he must listen closely. Because the clock is ticking...and Barnes's mind is going fast.

NEW YORK TIMES BESTSELLER Detective Sergeant Barbara Havers and Detective Inspector Thomas Lynley are forced to confront the past as they try to solve a crime that threatens to tear apart the very fabric of a quiet, historic medieval town in England The cozy, bucolic town of Ludlow is stunned when one of its most revered and respected citizens--Ian Druitt, the local deacon--is accused of a serious crime. Then, while in police custody, Ian is found dead. Did he kill himself? Or was he murdered? When Barbara Havers is sent to Ludlow to investigate the chain of events that led to Ian's death, all the evidence points to suicide. But Barbara can't shake the feeling that she's missing something. She decides to take a closer look at the seemingly ordinary inhabitants of Ludlow--mainly elderly retirees and college students--and discovers that almost everyone in town has something to hide. A masterful work of suspense, The Punishment She Deserves sets Detective Sergeant Barbara Havers and Inspector Thomas Lynley against one of their most intricate cases. Fans of the longtime series will love the many characters from Elizabeth George's previous novels who join Lynley and Havers, and readers new to the series will quickly see why she is one of the most popular and critically acclaimed writers of our time. Both a page-turner and a deeply complex story about the lies we tell, the lies we believe, and the redemption we need, this novel will be remembered as one of George's best.

In this urban fantasy-mystery series opener, a tattooist cursed with the powers of a djinn must grant every wish he hears, even when it means murder. Jacob is bound by a mysterious curse he doesn't completely understand. Now, in order to save an innocent boy, he must find and kill a man he's never met. But there is another killer lurking these city streets. And Jacob is running out of time. The Stonefly series is a captivating mix of urban fantasy and traditional mystery. It explores the true commitment of friendship, and the moral conflict found within all of our souls.

This psychological sci-fi thriller from a debut author follows one doctor who must discover the source of her crew's madness... or risk succumbing to it herself. Misanthropic psychologist Dr. Grace Park is placed on the Deucalion, a survey ship headed to an icy planet in an unexplored galaxy. Her purpose is to observe the thirteen human crew members aboard the ship--all specialists in their own fields--as they assess the colonization potential of the planet, Eos. But frictions develop as Park befriends the androids of the ship, preferring their company over the baffling complexity of humans, while the rest of the crew treats them with suspicion and even outright hostility. Shortly after landing, the crew finds themselves trapped on the ship by a radiation storm, with no means of communication or escape until it passes--and that's when things begin to fall apart. Park's patients are falling prey to waking nightmares of helpless,

tongueless insanity. The androids are behaving strangely. There are no windows aboard the ship. Paranoia is closing in, and soon Park is forced to confront the fact that nothing—neither her crew, nor their mission, nor the mysterious Eos itself—is as it seems.

NATIONAL BESTSELLER “A finely paced, shrewdly observed, multi-tiered story . . . A thinking (and feeling) reader’s thriller.” –Wall Street Journal “Chilling, thought-provoking, and hauntingly written, Mother May I kept me on the edge of my seat with its breathless race against time.” – Megan Miranda, New York Times bestselling author of The Girl from Widow Hills Recommended by Buzzfeed • Parade • Country Living • Atlanta Journal-Constitution • Augusta Chronicle • The Nerd Daily • She Reads • BookBub • and more! The New York Times bestselling author of the critically acclaimed Never Have I Ever returns with an even more addictive novel of domestic suspense in which a mother must decide how far she is willing to go to protect her child and the life she loves—an unforgettable tale of power, privilege, lies, revenge, and the choices we make, ones that transform our lives in unforeseen ways. Revenge doesn’t wait for permission. Growing up poor in rural Georgia, Bree Cabbat was warned that the world was a dark and scary place. Bree rejected that fearful outlook, and life has proved her right. Having married into a family with wealth, power, and connections, Bree now has all a woman could ever dream of. Until the day she awakens and sees someone peering into her bedroom window—an old gray-haired woman dressed all in black who vanishes as quickly as she appears. It must be a play of the early morning light or the remnant of a waking dream, Bree tells herself, shaking off the bad feeling that overcomes her. Later that day though, she spies the old woman again, in the parking lot of her daughters’ private school . . . just minutes before Bree’s infant son, asleep in his car seat only a few feet away, vanishes. It happened so quickly—Bree looked away only for a second. There is a note left in his place, warning her that she is being watched; if she wants her baby back, she must not call the police or deviate in any way from the instructions that will follow. The mysterious woman makes contact, and Bree learns she, too, is a mother. Why would another mother do this? What does she want? And why has she targeted Bree? Of course Bree will pay anything, do anything. It’s her child. To get her baby back, Bree must complete one small—but critical—task. It seems harmless enough, but her action comes with a devastating price. Bree will do whatever it takes to protect her family—but what if the cost tears their world apart?

A "brilliant and relentless" new thriller from the author of the instant New York Times bestseller The Chain (Don Winslow). “Extraordinary.” –T. J. Newman, New York Times bestselling author of Falling “You’ll never go on vacation the same way again.” –Don Winslow, New York Times bestselling author of City On Fire IT WAS JUST SUPPOSED TO BE A FAMILY VACATION. A TERRIBLE ACCIDENT CHANGED EVERYTHING. YOU DON’T KNOW WHAT YOU’RE CAPABLE OF UNTIL THEY COME FOR YOUR FAMILY. After moving from a small country town to Seattle, Heather Baxter marries Tom, a widowed doctor with a young son and teenage daughter. A working vacation overseas seems like the perfect way to bring the new family together, but once they’re deep in the Australian outback, the jet-lagged and exhausted kids are so over their new mom. When they discover remote Dutch Island, off-limits to outside visitors, the family talks their way onto the ferry, taking a chance on an adventure far from the reach of iPhones and Instagram. But as soon as they set foot on the island, which is run by a tightly knit clan of locals, everything feels wrong. Then a shocking accident propels the Baxters from an unsettling situation into an absolute nightmare. When Heather and the kids are separated from Tom, they are forced to escape alone, seconds ahead of their pursuers. Now it’s up to Heather to save herself and the kids, even though they don’t trust her, the harsh bushland is filled with danger, and the locals want her dead. Heather has been underestimated her entire life, but she knows that only she can bring her family home again and become the mother the children desperately need, even if it means doing the unthinkable to keep them all alive. SOON TO BE A HULU ORIGINAL SERIES “Gripping and unpredictable. No one does high-stakes tension like McKinty . . . Prepare to be hooked.” –Sarah Pearse “A haunting masterpiece.” –Steve Cavanagh “McKinty has written another irresistible and pulse-pounding thriller about the surprising places evil hides and just how far we’ll go for those we love.” –Karin Slaughter
