In the social and life sciences, a case study is a research method

Download Free The Case Study Handbook How To Read Discuss And Write

involving an up-close, in-depth, and detailed examination of a particular case. For example, a case study in medicine may examine a specific patient a doctor treated, and a case study in business might study a particular firm's strategy. Generally, a case can be nearly any unit of analysis, including individuals, organizations, events, or actions. Case studies can be produced by following a formal research method. These case stud
